Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Notice of Allowability dated June 27, 2006, Applicants respectfully request that the Examiner initial and return a copy of the Form PTO-1449 filed with the Information Disclosure Statement on June 27, 2003 to the undersigned attorney. For the Examiner's convenience, a copy of the form is attached hereto.

This submission is a result of the Examiner's failure to return the initialed copy of the Form PTO-1449, and as such, does not constitute a delay by Applicant. Further evidence that this submission does not constitute a delay by Applicant is that this submission does not fall within any of the categories outlined in 37 C.F.R. § 1.704 deemed to constitute Applicant's failure to engage in reasonable efforts to conclude prosecution. Accordingly, no reduction of the period of adjustment of patent term is warranted.
